ABOUT

Gift is a frontend engineer and technical writer based in Lagos Nigeria. She's passionate about making the web accessible to everyone and also an advocate for building open-source projects. She enjoy solving complex problems using web technologies and she's a big advocate for building open and inclusive communities which led me to start the Vue Vixens chapter in Nigeria and the JAMstack community in Lagos. She's a co-organizer of the Concatenate Conference, a Media Developer Expert at Cloudinary, and an Auth0 Ambassador.
